As the Owner or Duly Authorized Manager of the property located at:

(Service Address) _____

I (we) hereby authorize ECFiber to install communication cable and equipment and any internal wiring necessary to provide voice and internet to the property. This form provides permission for all units in a multi-dwelling. I also agree to the installation for additional properties I own listed below.

Temporary Aerial Connection: Initial _____

Installation of New Underground services: Initial _____

For the purpose of this agreement it is understood that by signing this LETTER OF PERMISSION in no way obligates the property owner to accept communications service from ECFiber. It is further understood that no such inside wiring or installation will take place until a service order is initiated by the property owner or tenant thereof.

Deliver to: ECFiber, 415 Waterman Rd, South Royalton, VT 05068
